*These draft minutes of the Town of Benton Select Board are believed accurate and correct, but they are subject to additions, deletions and corrections by the Select Board at the next meeting when the Board votes its final approval of the minutes. These minutes are made available at this time to conform to the requirements of New Hampshire RSA 91-A:2.*

The meeting was called to order by Chairman Darcy at 6:30 PM.

Member Elliott moved approval of the April 12, 2021 minutes, seconded by Member Carpenter and approved.

The Board decided the North Country Council did not provide enough benefits to renew membership, especially since they would not bill us on an adjusted population basis (i.e. minus Glenclyff Home residents).

The Board received the quarterly report of the Trustees of the Trust Funds and directed that it be posted on the Town's website.

Treasurer Swauger reported the operating account had \$262,636.44 and the ICS account \$233,514.57. The Board signed checks prepared by the Treasurer.

The Board commended Joe Boutin, Jr., Joe Boutin III and Mike Stiebitz for their work in installing a precast concrete pad for the Town Hall generator to remedy the fact that it was out of balance.

The Board discussed the needed grave survey on the new area of the Mountain View Cemetery and Chairman Darcy agreed to contact Harry Burgess about doing that work.

May 10 is the next scheduled meeting.

The meeting was adjourned at 7:00 PM.
